**Plano, Texas** – Heart to Heart Hospice, one of the country’s largest private providers of hospice care, has expanded its service area in southwestern Michigan with a new site in Kalamazoo.

The new location is serving patients and families in the counties of Barry, Calhoun, and Kalamazoo.

“It’s exciting to expand our care services in this part of the state,” said Kelly Mitchell, Founder and Chief Executive Officer of Heart to Heart Hospice, which also operates branches in Detroit, Flint, Jackson, Lansing, Macomb, Saginaw, and Southgate. “The need for quality, comprehensive hospice care continues to grow, and we are anxious to provide more patients and their loved ones with the compassionate care and support they deserve.”

The new site, headed by Executive Director Stacy Sturgeon, RN, is located at: 4341 S. Westnedge Ave., Suite 2212, Kalamazoo, MI 49008. Phone: 269.250.9140.

“When medicine cannot provide a cure, hospice redefines hope in terms of a patient’s quality of life,” said Dr. Michael Bond, Chief Medical Officer and National Medical Director for Heart to Heart. “Our mission is to care for the whole person, as well as their family members, in the place they call home,” he added. “We do this through compassion, medication, education, listening, and just being present to offer comfort, provide support, and preserve dignity.”
